

TASTE OF THE STADIUM

ASSEMBLY INSTRUCTIONS

Thank you for your purchase of Taste of the Stadium. When it comes to partytime, it's the perfect solution to contain all your party snacks. Just assemble, add your favorite food choices and you're all set. It is food-safe, biodegradable and designed to dispose of when the party's over!

It can be disassembled and used again. We hope it will be the 'Talk of Your Party!'

- List of Parts**
- Part A** - base stadium field, 1 piece
 - Part B** - large stand box, 2 pieces
 - Part C** - small stand box, 2 pieces
 - Part D** - large stand insert, 2 pieces
 - Part E** - small stand insert, 2 pieces
 - Part F** - corner piece, 4 pieces

Recommended Order of Steps

(for ease of assembly)

Step 1 - Open package and lay out stadium field (**part A**) with art side facing up. Pop up winged tabs on stadium field.

Step 2 - Expand stand boxes, **parts B & C**. Tear off and discard extra pieces on front of each stand. Set aside.

Step 3 - To create corner pieces, (**part F**), fold up flap 1 and fold in flap 1a to create a small corner. Fold flap 2 inside flap 1 to create corner. Insert flaps 3 & 4. Wrap flap 5 around and insert into slot. Repeat process for each corner piece. Set aside.

Step 2

Step 3

Assembling Stadium

Step 4 - Attach large stand (**Part B**) to stadium field (**Part A**) using folded tabs. Large stands will have two winged tabs. Fold winged tab ends to enter slot then spread to secure stand to base. For ease of attaching, insert tabs left to right. Slide box to field base and spread tabs to secure.

Step 5 - To attach corner piece, fold up winged tab. Insert through square opening at bottom of corner piece then spread to secure attachment.

Step 6 - To attach small stand (**Part C**) to base fold in winged tab, then spread tabs to secure. Small stand uses one tab.

Assembling Stadium
continued

Continue to build stadium in order for easier assembly.

Step 7 - Fold flaps in on all four stands. Side flaps first, and then the front flap. Art will show. Do not fold back or top flaps.

Step 8 - To install small stand inserts, **Part E**, fold in half. Then fold out sides to create butterfly. Fold left and right triangular shaped sides down. Fold back panels out. Insert forward edge into stand box first and then slide insert into stand box. Secure by folding down top back flaps from stand into slots. Repeat for both small stands.

Step 9 - Fold large stand insert (**Part D**) in two places creating three sections. Art should be visible. Fold down side flaps and fold out back panels. Back panels will only be on the outer sections. Insert forward edge into stand box first and then slide insert into stand box. Secure by folding down top back flaps from stand into slots. Repeat for both large stands.
